3. Film Presentation Concerning Intelligence Terminology:

25X1A

Some of the comments at an earlier meeting were clarified when Mr. [REDACTED] reported on a preview given several WE clerical employees on the films on Personal Meetings and Cutouts. After further discussion it was agreed that [REDACTED] would meet with [REDACTED] in the afternoon to plan a fairly formal course for WE clerical employees. This course would probably require three half-days and include films, lectures, etc. OTR plans to conduct this course during August.

4. Next Briefing for New Training Officers:

25X1A
25X1A

[REDACTED] reported that there were new personnel in the DD/P training family who could profit by an OTR briefing similar to the previous ones. [REDACTED] reported that there were new-comers among DD/I and DD/A TIO's, as well as with the Cable Secretariat, and announced a briefing and OTR tour during the final week of September; the date selected should accommodate those who should attend, yet may have been on annual leave during the remaining summer weeks.

5. Joint Debriefings of Returnees:

25X1A

[REDACTED] agreed to inform [REDACTED] of the existing arrangements between FI and OTR on debriefing returnees.

25X1A

Announcement was made by [REDACTED] that a complete catalog of all OTR courses plus those frequently attended by Agency personnel under external training should be available for headquarters and field by October. [REDACTED] recommended, and it was agreed, to rename the new Agency Devices Course as the Technical Devices Course.

7. Visit of VIP's:

25X1A

[REDACTED] commented on the forthcoming visits of certain personnel and observed that OTR cannot discuss training problems without getting into operational problems. In the latter connection OTR will need and welcome all the guidance it can get from the Clandestine Services Training Committee.

- A. There was question raised by [REDACTED] on the limited enrollment for the ACE course. [REDACTED] re-emphasized that students for the advanced course must have a CE assignment or specific responsibility for CE operations. Because of the planned free discussion by guest instructors, enrollment in this course will necessarily be very limited.
- B. [REDACTED] mentioned that he had had a discussion with [REDACTED] on the position of FI re student merger. He announced that FI personnel should not be amalgamated with DD/I students.
- C. The status of [REDACTED] was discussed. [REDACTED] announced that his transfer to OTR was up to WE; [REDACTED] was asked to check into the matter.
- D. [REDACTED] commented on the status of rotation within and without OTR and noted that five key OTR personnel were leaving. [REDACTED] volunteered to see that OTR would receive information on overseas returnees from a list normally prepared six months in advance of return. It was noted that OTR now has only two instructors with overseas experience in the PP field.
- E. [REDACTED] inquired about the request for transcribed reels; Mr. [REDACTED] volunteered to check on the progress of this request.
- F. There were additional comments on the War Planning Annexes as the system has been set up within DD/P.
